November Minutes

The meeting was called to order by Pres. Lynda Hahn at 7:30 PM. Secretary Clay read the minute's from the previous meeting and they were approved as read. Treasurer Jim Sherman read the treasurer's report and it too was approved as read.

Committee Reports

Clay reported for the Nominating Committee and said he would present the nominations at the next meeting.

Pres Lynda then opened nominations to the floor and will remain open until the December meeting

Old Business

The work party went well in spite of the lack of the participants. Thanks for your help guys. You know who you are.

Regarding the club logo, Ralpho suggested multiple logos that represent the area of interest of the members such as Heli's, Cars or airplanes. The logos could be put on hats, t-shirts and jackets and sold to raise funds for the club. Matt will be contacted to do the art work.

Still no one has stepped up to help with the banquet in February. (Help us out people)

Tim M. suggested that now is a good time to seal any racks in the runway to prevent water from getting

into the cracks and then freezing causing damage to the runway.

New Business

Great Big thank you from the members go out to Dick Jones, Bob Blumer, Eric Runestad and John Weber for wiring the shelter with outlets and more lights and also there continuous effort on the field telemetry. Hope I didn't leave anyone out.

Clay Ness made a motion to adjourn, the motion was seconded, a vote was taken and the motion passed.

From the Pres!

We will be having a guest speaker at the next club meeting. He is with the MATA and has requested our participation in this years annual conference here in Billings. BFM was a part of this once before. Please look at the Feb., March and April 1998 newsletters for further information on what this is all about.

Thanks
Lynda
