The Club Bought back Two shares last month.

And the Tank needs to be emptied. And the Pump put away for the winter.

New Business

Mouse Poison has been place in the shelter in cans with lids screwed against the walls. We put one over by the pump to. So hopefully that will help out with the field mouse population in the shelter and round the new shed. 3 cans by the concession stand and 1 in the shelter.

Winter season is here.. and Clay reserved the Outlaw Arena for indoor flying again this year.. the presignups were 90 dollars.. and if you didn't get to do that you can still go and fly for 15.00.

The first 2 Sundays are in the morning and the rest will be in the afternoon. So if you have any questions are want to see the schedule give Clay a call or email or see him at Abell hobby..
