## July Minutes

The meeting was called to order by Present. Ralph Howe at 6:30 PM. Secretary Robby Spearing read the minute's from the previous meeting and they were approved as read. Treasurer Rodney Broderson read the treasurer's report and it too was approved as read.

### Committee Reports

No new information

### Old Business

A new storage building has been ordered. The Board approved.

The Fly-In was a great success and we believe everybody had a wonderful time. Even though the weather was undecided but we had some great days until evening hours. Thanks to everybody that helped out we appreciate all the help we can get... Thanks again . Thank Eric Runested for cooking the Prime Rib. And thanks to everybody that brought all the other good stuff we had to eat... Thanks to Jumpers and his wife and brother for scrubbing the potatoes..Thanks to Steve Garr for being the Microphone man. And Thanks to his wife alic for helping with the dinner. And we want to thank Heliproz for donating for the raffle. And Abell Hobby and thanks to Clay and Lynda and John. We appreciate everything you guys do and Thanks again.And Thanks to

Prairie Unique Dale and his Son came to the fly in..And anybody I didn't mention. Thank you for helping.

### New Business

The Fair this year is a NO GO. We don't have the man power to do it this year so we will think about it next year.

Ralph would like to thank Barbera Goforth for the quilts and pillows she made for the raffle at the Fly-IN.

Jackie was at our meeting and she said she would like to help us promote the Club at fly ins. She said she has good contacts for feeding people and new ideas. So she discussed with all that was present so different ideas for us to try. So it will be a good fresh start on promoting our Club for the OLD and New Comers. Talked to us about different raffles for the spectators and pilots. Go out the spectrum and give some dinners and different stuff.. A new Flyer can be useful too..Talked about an electric Fly also along with a Night Fly.

Hello everybody just a few reminders.  
Please make sure you do not fly over the safety line. And Please watch your fingers when starting your planes. Make sure you grab you Frequency Clips before you fly. Watch for tripping hazards. And if you go down in the field make sure you go in and go back out the same way. So we do not

disturb the crop. Thanks and happy Flying  
and Rotoring ☺ Robby Spearing
