## A Message From the President

Well it is that time of year again and we have some business to tend to.

First of all I would like to thank Earl Seaholm for being our liaison to the new neighbor to the north and west of our field. Shane the new landowner did some business with Earl and it worked extremely well for our club. Shane installed two gates, one on the north fence and one on the west fence for access to retrieve downed airplanes so we didn't have to climb over the fence. Please take the time to use them if you need to cross the property lines.

Second thing I have is the buy back of runway shares. Anyone interested in having their share bought back needs to get in touch with either Robby or myself. Please give us a heads up if you are interested. We are going to purchase 2 shares this year. If we get more interested than two share holders everyone's name will be put in a hat and two will be drawn. If you are interested please make sure that you bring your original copy of the agreement to the November meeting.

Next is the location for the November meeting. I have to get a hold of the man at the Moose

Lodge to see if we can still use their back room for our meetings. I am not a

Moose member so we will see how that goes. If there is a change there will be another e-mail next week with the location.

November is the month for everyone to give us the names for the ballot for officers, board members, and award winners. We have people committed to President, Vice President and possibly Treasurer. If you know someone who would like to be an officer or board member please have them get a hold of either Robby or myself. We need some new blood in the mix. We need to have some other members with skin in the game. The people who have been in these positions need to be relieved of their duties to rest before they get burnt out. We really need someone to be Secretary and do the news letter! Robby has busted his butt for the last two years doing it and Clay did it for the three years previous to that!!!

We also have two board members that need to be replaced. If you are interested got in touch.

Please be thinking of names for the awards.

We have these to fill:

Chamberlain Award  
Lifetime Achievement  
Best Builder  
Most Improved Flier or Driver  
T.S. Award  
Best Off-Road Enthusiast
