November Minutes

The meeting was called to order by Ralph Howe at 6:35. Clay was absent due to his new job in the oil field.

Ralph reviewed the notes of the last meeting minutes as Robbie was called to night shift and was not in attendance. No one protested the reading and the minutes were approved as presented.

Hot Rod Broderson read the treasurers report and stated that the taxes went up \$752 over last year. For those of you who don't remember, Robbie and I had to meet with the tax assessor this spring to reassess the property and buildings. It had not been assessed since the early 1980's. We both believe she was very fair with us and don't think a protest would do us any good.

New business---- We are looking for someone to plan the yearly banquet for early February.

----George also suggested building some sort of trophy case for the concession stand.

---Virgil Jones needs a placard on the passed on members display in the concession stand.

Old business -----

Ralph brought up that we still needed to try to seal some of the large cracks in the runway so they did not fill with water and freeze and buckle up during the winter freeze and thaw. We are still

working on a plan. If we have a really warm week this winter when things are dry we may call "All hands on deck" to get some caulking goop and fill them for a work day.

---Ralph is still working on the new landowner agreement to let everyone know what we expect of us as good neighbors to our surrounding property owners and how we will protect their interests when retrieving downed aircraft on their property.

More old business-----

The nominating committee recommendations were----

President----George Goforth
Vice Pres----Robbie Spearing
Secretary----Dave Harper
Treasurer----Hot Rod Broderson
Vacating Board seat----Ralph Howe
Lifetime Achievement Award----Delmer Schmidt
Best Builder---Delmer Schmidt
Chamberlain award----Bob Blumer
T.S Award---Dick Jones///Jim Steorts///Randy Thompson
Most improved Flyer—Scott Cranston
Earl made a motion for adjournment. George seconded it. Motion passed unimously.

Meeting length approximately 35 minutes.

Members in attendance:
